

# CITATION REPORT

List of articles citing

Fat and fatty acid requirements and recommendations for infants of 0-2 years and children of 2-18 years

DOI: 10.1159/000228997

Annals of Nutrition and Metabolism, 2009, 55, 76-96.

**Source:** <https://exaly.com/paper-pdf/45592929/citation-report.pdf>

**Version:** 2024-04-11

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
