

# CITATION REPORT

List of articles citing

Lifestyle intervention in obese children with non-alcoholic fatty liver disease: 2-year follow-up study

DOI: 10.1136/adc.2008.143594

Archives of Disease in Childhood, 2009, 94, 437-42.

**Source:** <https://exaly.com/paper-pdf/45754166/citation-report.pdf>

**Version:** 2024-04-05

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
