

# CITATION REPORT

List of articles citing

## Monocyte protein signatures of disease severity in sickle cell anemia

DOI: 10.3181/0807-rm-220

Experimental Biology and Medicine, 2009, 234, 210-21.

**Source:** <https://exaly.com/paper-pdf/45826197/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
