

CITATION REPORT

List of articles citing

Meta-analysis of association of ACE2 G8790A polymorphism with Chinese Han essential hypertension

DOI: 10.1177/1470320309103047

JRAAS - Journal of the Renin-Angiotensin-Aldosterone System, 2009, 10, 31-4.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
