List of articles citing

## Hospital variation in transfusion and infection after cardiac surgery: a cohort study

DOI: 10.1186/1741-7015-7-37  
BMC Medicine, 2009, 7, 37.

**Source:** <https://exaly.com/paper-pdf/45877877/citation-report.pdf>

**Version:** 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
