

CITATION REPORT

List of articles citing

Molecular assembly of an aptamer-drug conjugate for targeted drug delivery to tumor cells

DOI: 10.1002/cbic.200800805
ChemBioChem, 2009, 10, 862-8.

Version: 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
