

CITATION REPORT

List of articles citing

High fat diet-induced obesity modifies the methylation pattern of leptin promoter in rats

DOI: 10.1007/bf03165964

Journal of Physiology and Biochemistry, 2009, 65, 1-9.

Source: <https://exaly.com/paper-pdf/46139703/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
