

CITATION REPORT

List of articles citing

Simultaneous determination of five systemic azoles in plasma by high-performance liquid chromatography with ultraviolet detection

DOI: 10.1016/j.jpba.2009.06.030

Journal of Pharmaceutical and Biomedical Analysis, 2009, 50, 932-8.

Version: 2024-04-20

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
