

# CITATION REPORT

List of articles citing

## Protein-based nanomedicine platforms for drug delivery

DOI: 10.1002/sml.200801602  
Small, 2009, 5, 1706-21.

**Source:** <https://exaly.com/paper-pdf/46290594/citation-report.pdf>

**Version:** 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
