**Version:** 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
2249	Knowledge translation research in population health: establishing a collaborative research agenda. <b>2009</b> , 7, 28		20
2248	Community-based participatory research contributions to intervention research: the intersection of science and practice to improve health equity. <b>2010</b> , 100 Suppl 1, S40-6		978
2247	Connecting research and patient care: lessons from the VA's Quality Enhancement Research Initiative. <b>2010</b> , 25 Suppl 1, 1-2		7
2246	"I don't eat a hamburger and large chips every day!" A qualitative study of the impact of public health messages about obesity on obese adults. <b>2010</b> , 10, 309		68
2245	Implementing clinical guidelines in psychiatry: a qualitative study of perceived facilitators and barriers. <b>2010</b> , 10, 8		99
2244	Improving educational achievement and anaemia of school children: design of a cluster randomised trial of school-based malaria prevention and enhanced literacy instruction in Kenya. <b>2010</b> , 11, 93		32
2243	A critical synthesis of literature on the promoting action on research implementation in health services (PARIHS) framework. <i>Implementation Science</i> , <b>2010</b> , 5, 82	8.4	168
2242	Fidelity of implementation: development and testing of a measure. <i>Implementation Science</i> , <b>2010</b> , 5, 99	8.4	44
2241	Meeting the challenges for research and practice for brief alcohol intervention. <b>2010</b> , 105, 963-4; discussion 964-5		15
2240	Generalizability and transferability of meta-synthesis research findings. <b>2010</b> , 66, 246-54		171
2239	The influence of context on quality improvement success in health care: a systematic review of the literature. <b>2010</b> , 88, 500-59		416
2238	Organizational factors and the cancer screening process. <b>2010</b> , 2010, 38-57		73
2237	The Veterans Affairs experience: comparative effectiveness research in a large health system. <b>2010</b> , 29, 1906-12		18
2236	The ethical urgency of advancing implementation science. <b>2010</b> , 10, 31-2		7
2235	Implementation science: how to jump-start infection prevention. <b>2010</b> , 31 Suppl 1, S14-7		32
2234	A thematic analysis of theoretical models for translational science in nursing: mapping the field. <b>2010</b> , 58, 287-300		79
2233	Implementation research: a critical component of realizing the benefits of comparative effectiveness research. <b>2010</b> , 123, e38-45		16

2232	Going beyond the identification of change facilitators to effectively implement a new model of services: lessons learned from a case example in paediatric rehabilitation. <b>2011</b> , 14, 247-60		9
2231	Moving from research to large-scale change in child health care. <b>2011</b> , 11, 360-8		14
2230	Implementation research: Issues and prospects. <b>2011</b> , 36, 566-569		9
2229	Assessing the scale-up of a weight loss program narrowing the gap between research and practice. <b>2011</b> , 41, 548-9		1
2228	Research to practice in addiction treatment: key terms and a field-driven model of technology transfer. <b>2011</b> , 41, 169-78		18
2227	Improving functional outcomes in home care patients: impact and challenges of disseminating a quality improvement initiative. <b>2011</b> , 33, 28-36		3
2226	Modular Psychotherapy for Youth With Internalizing Problems: Implementation With Therapists in School-Based Health CentersView all notes. <b>2011</b> , 40, 569-581		46
2225	An agenda for research on the sustainability of public health programs. <b>2011</b> , 101, 2059-67		359
2224	Prevention of catheter-related infection: toward zero risk?. <b>2011</b> , 24, 377-84		20
2223	The science of quality improvement implementation: developing capacity to make a difference. <b>2011</b> , 49 Suppl, S6-20		77
2222	Implementing evidence-based psychosocial treatment in specialty substance use disorder care. <b>2011</b> , 25, 225-37		58
2221	Implementation of evidence-based substance use disorder continuing care interventions. <b>2011</b> , 25, 238-51		45
2220	Integration of treatment innovation planning and implementation: strategic process models and organizational challenges. <b>2011</b> , 25, 252-61		44
2219	A model for using the VIPS framework for person-centred care for persons with dementia in nursing homes: a qualitative evaluative study. <b>2011</b> , 6, 227-36		47
2218	A comparison of policy and direct practice stakeholder perceptions of factors affecting evidence-based practice implementation using concept mapping. <i>Implementation Science</i> , <b>2011</b> , 6, 104	8.4	70
2217	The meaning and measurement of implementation climate. <i>Implementation Science</i> , <b>2011</b> , 6, 78	8.4	124
2216	Effective surgical safety checklist implementation. <b>2011</b> , 212, 873-9		233
2215	Using a NIATx based local learning collaborative for performance improvement. <b>2011</b> , 34, 390-8		19

2214	HIV rapid testing in substance abuse treatment: implementation following a clinical trial. <b>2011</b> , 34, 399-406	18
2213	Bridge over troubled water: using implementation science to facilitate effective services in child welfare. <b>2011</b> , 35, 753-6	46
2212	Advancing a conceptual model of evidence-based practice implementation in public service sectors. <b>2011</b> , 38, 4-23	1427
2211	Training research: practical recommendations for maximum impact. <b>2011</b> , 38, 223-37	75
2210	A pilot study disseminating cognitive behavioral therapy for depression: therapist factors and perceptions of barriers to implementation. <b>2011</b> , 38, 324-34	29
2209	The science of training in evidence-based treatments in the context of implementation programs: current status and prospects for the future. <b>2011</b> , 38, 217-22	25
2208	Improving chronic illness care for veterans within the framework of the Patient-Centered Medical Home: experiences from the Ann Arbor Patient-Aligned Care Team Laboratory. <b>2011</b> , 1, 615-23	31
2207	Implementing motivational interviewing in primary care: the role of provider characteristics. <b>2011</b> , 1, 588-94	18
2206	Access to care for vulnerable veterans with hepatitis C: a hybrid conceptual framework and a case study to guide translation. <b>2011</b> , 1, 644-51	11
2205	Defining core issues in utilizing information technology to improve access: evaluation and research agenda. <b>2011</b> , 26 Suppl 2, 623-7	17
2204	A systematic exploration of differences in contextual factors related to implementing the MOVE! weight management program in VA: a mixed methods study. <b>2011</b> , 11, 248	54
2203	Building effective service linkages in primary mental health care: a narrative review part 2. <b>2011</b> , 11, 66	29
2202	Examining sustainability in a hospital setting: case of smoking cessation. <i>Implementation Science</i> , <b>2011</b> , 6, 108	8.4 31
2201	Observational measure of implementation progress in community based settings: the Stages of Implementation Completion (SIC). <i>Implementation Science</i> , <b>2011</b> , 6, 116	8.4 131
2200	Explaining the effects of a multifaceted intervention to improve inpatient care in rural Kenyan hospitals--interpretation based on retrospective examination of data from participant observation, quantitative and qualitative studies. <i>Implementation Science</i> , <b>2011</b> , 6, 124	8.4 48
2199	Instrument development, data collection, and characteristics of practices, staff, and measures in the Improving Quality of Care in Diabetes (iQuaD) Study. <i>Implementation Science</i> , <b>2011</b> , 6, 61	8.4 28
2198	Collaborative planning approach to inform the implementation of a healthcare manager intervention for Hispanics with serious mental illness: a study protocol. <i>Implementation Science</i> , <b>2011</b> , 6, 80	8.4 22
2197	A Guide for applying a revised version of the PARIHS framework for implementation. <i>Implementation Science</i> , <b>2011</b> , 6, 99	8.4 228

2196	Knowledge translation in audiology: promoting the clinical application of best evidence. <b>2011</b> , 15, 5-22	26
2195	Maximizing benefits for effective cancer survivorship programming: defining a dissemination and implementation plan. <b>2011</b> , 16, 1189-96	16
2194	An integrated knowledge translation experience: use of the Network of Pediatric Audiologists of Canada to facilitate the development of the University of Western Ontario Pediatric Audiological Monitoring Protocol (UWO PedAMP v1.0). <b>2011</b> , 15, 34-56	13
2193	Understanding the conditions for improvement: research to discover which context influences affect improvement success. <b>2011</b> , 20 Suppl 1, i18-23	208
2192	The contribution of case study research to knowledge of how to improve quality of care. <b>2011</b> , 20 Suppl 1, i30-5	61
2191	HIV and health systems: research to bridge the divide. <b>2011</b> , 57 Suppl 2, S120-3	5
2190	Unexpected collateral effects of simulation-based medical education. <b>2011</b> , 86, 1513-7	46
2189	Legislating clinical practice: counselor responses to an evidence-based practice mandate. <b>2011</b> , Suppl 7, 27-39	21
2188	Evaluating large-scale health programmes at a district level in resource-limited countries. <b>2011</b> , 89, 831-7	32
2187	A compilation of strategies for implementing clinical innovations in health and mental health. <b>2012</b> , 69, 123-57	482
2186	Knowledge translation efforts in child and youth mental health: a systematic review. <b>2012</b> , 9, 369-95	20
2185	Impacts of e-health on the outcomes of care in low- and middle-income countries: where do we go from here?. <b>2012</b> , 90, 365-72	132
2184	Sustained adoption of an evidence-based treatment: a survey of clinicians certified in problem-solving therapy. <b>2012</b> , 2012, 986547	4
2183	Grounded theory of barriers and facilitators to mandated implementation of mental health care in the primary care setting. <b>2012</b> , 2012, 597157	31
2182	Patterns of protective factors in an intervention for the prevention of suicide and alcohol abuse with Yup'ik Alaska Native youth. <b>2012</b> , 38, 476-82	14
2181	Disseminating child maltreatment interventions: research on implementing evidence-based programs. <b>2012</b> , 17, 5-10	27
2180	Implementation and spread of interventions into the multilevel context of routine practice and policy: implications for the cancer care continuum. <b>2012</b> , 2012, 86-99	44
2179	Eliminating central line-associated blood stream infections: progress continues on a national patient safety imperative. <b>2012</b> , 27, 191-3	14

2178 We're Hands On. **2012**, 14, 471-477

2177 Improving blood pressure control through a clinical pharmacist outreach program in patients with diabetes mellitus in 2 high-performing health systems: the adherence and intensification of medications cluster randomized, controlled pragmatic trial. **2012**, 125, 2863-72 87

2176 Writing usable qualitative health research findings. **2012**, 22, 1404-13 215

2175 Public-academic partnerships: evidence-based implementation: the role of sustained community-based practice and research partnerships. **2012**, 63, 205-7 28

2174 State-of-the-art and future directions in multilevel interventions across the cancer control continuum. **2012**, 2012, 20-31 62

2173 Clinician beliefs and attitudes about home haemodialysis: a multinational interview study. **2012**, 2, 19

2172 Ten challenges in improving quality in healthcare: lessons from the Health Foundation's programme evaluations and relevant literature. **2012**, 21, 876-84 330

2171 Innovation sustainability in challenging health-care contexts: embedding clinically led change in routine practice. **2012**, 25, 190-9 62

2170 Addressing methodological challenges in implementing the nursing home pain management algorithm randomized controlled trial. **2012**, 9, 634-44 20

2169 Through the lens of implementation science: next steps in understanding the significance of organizational justice. **2012**, 50, 829-30 1

2168 National Institutes of Health approaches to dissemination and implementation science: current and future directions. **2012**, 102, 1274-81 475

2167 Effectiveness-implementation hybrid designs: combining elements of clinical effectiveness and implementation research to enhance public health impact. **2012**, 50, 217-26 1495

2166 Information-seeking behaviors and other factors contributing to successful implementation of evidence-based practices in local health departments. **2012**, 18, 571-6 26

2165 Translational educational research: a necessity for effective health-care improvement. **2012**, 142, 1097-1103 68

2164 Implementation of individual placement and support: the Nottingham experience. **2012**, 35, 325-32 11

2163 Practical implementation science: developing and piloting the quality implementation tool. **2012**, 50, 481-96 53

2162 Measuring enactment of innovations and the factors that affect implementation and sustainability: moving toward common language and shared conceptual understanding. **2012**, 39, 343-61 28

2161 A concept mapping approach to guide and understand dissemination and implementation. **2012**, 39, 362-73 31

2160	Facilitators and barriers to a nationwide implementation of competency-based postgraduate medical curricula: a qualitative study. <b>2012</b> , 34, e589-602		36
2159	An evidence integration triangle for aligning science with policy and practice. <b>2012</b> , 42, 646-54		131
2158	Toward improved evidence standards and methods for rehabilitation: recommendations and challenges. <b>2012</b> , 93, S185-99		23
2157	Resources and training in outpatient substance abuse treatment facilities. <b>2012</b> , 42, 169-78		8
2156	Contingency management in substance abuse treatment: a structured review of the evidence for its transportability. <b>2012</b> , 122, 1-10		53
2155	Home visitation program effectiveness and the influence of community behavioral norms: a propensity score matched analysis of prenatal smoking cessation. <b>2012</b> , 12, 1016		14
2154	Behavioral health providers' perspectives of delivering behavioral health services in primary care: a qualitative analysis. <b>2012</b> , 12, 337		19
2153	Sustainability of healthcare innovations (SUSHI): long term effects of two implemented surgical care programmes (protocol). <b>2012</b> , 12, 423		10
2152	Advancing the application, quality and harmonization of implementation science measures. <i>Implementation Science</i> , <b>2012</b> , 7, 119	8.4	69
2151	Dynamic adaptation process to implement an evidence-based child maltreatment intervention. <i>Implementation Science</i> , <b>2012</b> , 7, 32	8.4	224
2150	Theories of behaviour change synthesised into a set of theoretical groupings: introducing a thematic series on the theoretical domains framework. <i>Implementation Science</i> , <b>2012</b> , 7, 35	8.4	246
2149	Implementing community-based provider participation in research: an empirical study. <i>Implementation Science</i> , <b>2012</b> , 7, 41	8.4	14
2148	The organizational social context of mental health services and clinician attitudes toward evidence-based practice: a United States national study. <i>Implementation Science</i> , <b>2012</b> , 7, 56	8.4	165
2147	Measurement of a model of implementation for health care: toward a testable theory. <i>Implementation Science</i> , <b>2012</b> , 7, 59	8.4	37
2146	Developing the Autism Model of Implementation for autism spectrum disorder community providers: study protocol. <i>Implementation Science</i> , <b>2012</b> , 7, 85	8.4	27
2145	Writing implementation research grant proposals: ten key ingredients. <i>Implementation Science</i> , <b>2012</b> , 7, 96	8.4	76
2144	Explaining clinical behaviors using multiple theoretical models. <i>Implementation Science</i> , <b>2012</b> , 7, 99	8.4	64
2143	A qualitative study of anticipated barriers and facilitators to the implementation of nurse-delivered alcohol screening, brief intervention, and referral to treatment for hospitalized patients in a Veterans Affairs medical center. <b>2012</b> , 7, 7		31

2142	Bridging research and practice: models for dissemination and implementation research. <b>2012</b> , 43, 337-50		797
2141	Fostering more-effective public health by identifying administrative evidence-based practices: a review of the literature. <b>2012</b> , 43, 309-19		93
2140	Improving effectiveness of clinical medicine: the need for better translation of science into practice. <b>2012</b> , 197, 374-8		13
2139	Applying systems engineering to implement an evidence-based intervention at a community health center. <b>2012</b> , 23, 1399-409		3
2138	Collaborative development of a randomized study to adapt a diabetes quality improvement initiative for federally qualified health centers. <b>2012</b> , 23, 236-46		10
2137	Becoming an evidence-based service provider: staff perceptions and experiences of organizational change. <b>2012</b> , 39, 314-32		23
2136	A roadmap and best practices for organizations to reduce racial and ethnic disparities in health care. <b>2012</b> , 27, 992-1000		164
2135	Testing the Consolidated Framework for Implementation Research on health care innovations from South Yorkshire. <b>2013</b> , 19, 915-24		38
2134	Leadership matters. <b>2012</b> , 9, 127-8		1
2133	Factors that enable and hinder the implementation of projects in the alcohol and other drug field. <b>2012</b> , 36, 61-8		1
2132	Implementation of the CALM intervention for anxiety disorders: a qualitative study. <i>Implementation Science</i> , <b>2012</b> , 7, 1-11	8.4	214
2131	The sustainability of new programs and innovations: a review of the empirical literature and recommendations for future research. <i>Implementation Science</i> , <b>2012</b> , 7, 17	8.4	652
2130	Bundles et prévention des pneumonies acquises sous ventilation mécanique. <b>2012</b> , 21, 434-444		
2129	Exploring the uptake and framing of research evidence on universal screening for intimate partner violence against women: a knowledge translation case study. <b>2013</b> , 11, 13		19
2128	The Housing First Model (HFM) fidelity index: designing and testing a tool for measuring integrity of housing programs that serve active substance users. <b>2013</b> , 8, 16		26
2127	Designing a valid randomized pragmatic primary care implementation trial: the my own health report (MOHR) project. <i>Implementation Science</i> , <b>2013</b> , 8, 73	8.4	60
2126	Never the twain shall meet?--a comparison of implementation science and policy implementation research. <i>Implementation Science</i> , <b>2013</b> , 8, 63	8.4	175
2125	A multi-level system quality improvement intervention to reduce racial disparities in hypertension care and control: study protocol. <i>Implementation Science</i> , <b>2013</b> , 8, 60	8.4	31

2124	Fading vision: knowledge translation in the implementation of a public health policy intervention. <i>Implementation Science</i> , <b>2013</b> , 8, 59	8.4	16
2123	Knowledge translation within a population health study: how do you do it?. <i>Implementation Science</i> , <b>2013</b> , 8, 54	8.4	53
2122	Evaluation of a large-scale weight management program using the consolidated framework for implementation research (CFIR). <i>Implementation Science</i> , <b>2013</b> , 8, 51	8.4	300
2121	Designing a theory-informed, contextually appropriate intervention strategy to improve delivery of paediatric services in Kenyan hospitals. <i>Implementation Science</i> , <b>2013</b> , 8, 39	8.4	54
2120	A checklist for identifying determinants of practice: a systematic review and synthesis of frameworks and taxonomies of factors that prevent or enable improvements in healthcare professional practice. <i>Implementation Science</i> , <b>2013</b> , 8, 35	8.4	481
2119	What supports physiotherapists' use of research in clinical practice? A qualitative study in Sweden. <i>Implementation Science</i> , <b>2013</b> , 8, 31	8.4	65
2118	The role of evidence, context, and facilitation in an implementation trial: implications for the development of the PARIHS framework. <i>Implementation Science</i> , <b>2013</b> , 8, 28	8.4	173
2117	Implementation of infection control best practice in intensive care units throughout Europe: a mixed-method evaluation study. <i>Implementation Science</i> , <b>2013</b> , 8, 24	8.4	19
2116	Measuring factors affecting implementation of health innovations: a systematic review of structural, organizational, provider, patient, and innovation level measures. <i>Implementation Science</i> , <b>2013</b> , 8, 22	8.4	435
2115	Developing a measure of provider adherence to improve the implementation of behavioral health services in primary care: a Delphi study. <i>Implementation Science</i> , <b>2013</b> , 8, 19	8.4	22
2114	Towards a general theory of implementation. <i>Implementation Science</i> , <b>2013</b> , 8, 18	8.4	347
2113	Between and within-site variation in qualitative implementation research. <i>Implementation Science</i> , <b>2013</b> , 8, 4	8.4	21
2112	Dissemination of an evidence-based telephone-delivered lifestyle intervention: factors associated with successful implementation and evaluation. <b>2013</b> , 3, 351-6		8
2111	Implementation and evaluation of an incentivized Internet-mediated walking program for obese adults. <b>2013</b> , 3, 357-69		16
2110	The tug-of-war: fidelity versus adaptation throughout the health promotion program life cycle. <b>2013</b> , 34, 193-207		81
2109	Organizational attributes and screening and brief intervention in primary care. <b>2013</b> , 38, 2639-42		1
2108	The Implementation of Mindfulness-Based Cognitive Therapy: Learning From the UK Health Service Experience. <b>2013</b> , 4, 246-254		73
2107	Therapist, Parent, and Youth Perspectives of Treatment Barriers to Family-Focused Community Outpatient Mental Health Services. <b>2013</b> , 22, 854-868		59

2106	The effects of dementia care mapping on nursing home residents' quality of life and staff attitudes: design of the quasi-experimental study Leben-QD II. <b>2013</b> , 13, 53		12
2105	Promoting occupational health interventions in early return to work by implementing financial subsidies: a Swedish case study. <b>2013</b> , 13, 310		7
2104	A cluster randomised trial of a school-based intervention to prevent decline in adolescent physical activity levels: study protocol for the 'Physical Activity 4 Everyone' trial. <b>2013</b> , 13, 57		25
2103	The Tanzania Connect Project: a cluster-randomized trial of the child survival impact of adding paid community health workers to an existing facility-focused health system. <b>2013</b> , 13 Suppl 2, S6		50
2102	"One of those areas that people avoid" a qualitative study of implementation in miscarriage management. <b>2013</b> , 13, 123		7
2101	Shifting the paradigm for promoting appropriate antibiotic use. <b>2013</b> , 28, 756-7		1
2100	Open access in the patient-centered medical home: lessons from the Veterans Health Administration. <b>2013</b> , 28, 539-45		41
2099	The surgical safety checklist survey: a national perspective on patient safety. <b>2013</b> , 182, 171-6		19
2098	Interventions in schools for children with autism spectrum disorder: methods and recommendations. <b>2013</b> , 17, 254-67		162
2097	Editorial comment. <b>2013</b> , 81, 751		
2096	Dissemination and implementation of evidence-based practices for child and adolescent mental health: a systematic review. <b>2013</b> , 52, 1009-1025.e18		180
2095	Treating substance use disorders in the criminal justice system. <b>2013</b> , 15, 414		68
2094	Can programme theory be used as a 'translational tool' to optimise health service delivery in a national early years' initiative in Scotland: a case study. <b>2013</b> , 13, 425		1
2093	The dynamic sustainability framework: addressing the paradox of sustainment amid ongoing change. <i>Implementation Science</i> , <b>2013</b> , 8, 117	8.4	657
2092	Developing and implementing an integrated delirium prevention system of care: a theory driven, participatory research study. <b>2013</b> , 13, 341		45
