

# CITATION REPORT

List of articles citing

Ocular and systemic factors associated with diabetes mellitus in the adult population in rural and urban China. The Beijing Eye Study

DOI: 10.1038/sj.eye.6703104  
Eye, 2009, 23, 676-82.

**Source:** <https://exaly.com/paper-pdf/46323990/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
