

CITATION REPORT

List of articles citing

Effect of the phosphodiesterase 5 inhibitors sildenafil, tadalafil and vardenafil on rat anococcygeus muscle: functional and biochemical aspects

DOI: 10.1111/j.1440-1681.2008.05071.x

Clinical and Experimental Pharmacology and Physiology, 2009, 36, 358-66.

Version: 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
