

# CITATION REPORT

List of articles citing

Restoring electrical conductivity of dielectrophoretically assembled graphite oxide sheets by thermal and chemical reduction techniques

DOI: 10.1016/j.carbon.2009.01.049  
Carbon, 2009, 47, 1520-1525.

**Source:** <https://exaly.com/paper-pdf/46541443/citation-report.pdf>

**Version:** 2024-04-29

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
