

CITATION REPORT

List of articles citing

Mesoporous silica nanoparticle-based double drug delivery system for glucose-responsive controlled release of insulin and cyclic AMP

DOI: 10.1021/ja901831u

Journal of the American Chemical Society, 2009, 131, 8398-40

Source: <https://exaly.com/paper-pdf/46579763/citation-report.pdf>

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
