

CITATION REPORT

List of articles citing

Type 1 diabetes in young rats leads to progressive trabecular bone loss, cessation of cortical bone growth, and diminished whole bone strength and fatigue life

DOI: 10.1359/jbmr.090316

Journal of Bone and Mineral Research, 2009, 24, 1618-27.

Source: <https://exaly.com/paper-pdf/46592199/citation-report.pdf>

Version: 2024-04-29

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
