

CITATION REPORT

List of articles citing

Six months of Sildenafil therapy improves heart rate recovery in patients with heart failure

DOI: 10.1016/j.ijcard.2008.04.061

International Journal of Cardiology, 2009, 136, 341-3.

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
