## Cytology and Urinary Markers for the Diagnosis of Bladder Cancer

DOI: 10.1016/j.eursup.2009.06.008  
European Urology Supplements, 2009, 8, 536-541.

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
