Version: 2024-04-17

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
1159	CT colonography screening: ready for prime time?. 2009 , 9 Spec No A, S59-62		16
1158	Response to Meyer, Dominic et al., and Lin and Schembre. <i>American Journal of Gastroenterology</i> , 2009 , 104, 2628-2629	0.7	3
1157	Are split bowel preparation regimens practical for morning colonoscopies? Implications of the new american college of gastroenterology colon cancer screening guidelines for real-world clinical practice. <i>American Journal of Gastroenterology</i> , 2009 , 104, 2627-8; author reply 2628-9	0.7	12
1156	Colorectal cancer guidance is self-serving. <i>American Journal of Gastroenterology</i> , 2009 , 104, 2626; author reply 2628-9	0.7	1
1155	American College of Gastroenterology Guidelines for Colorectal Cancer Screening 2008. <i>American Journal of Gastroenterology</i> , 2009 , 104, 2626-7; author reply 2628-9	0.7	56
1154	Decision making about cancer screening: an assessment of the state of the science and a suggested research agenda from the ASPO Behavioral Oncology and Cancer Communication Special Interest Group. 2009 , 18, 3133-7		14
1153	Do colorectal cancer patients understand that their family is at risk?. 2009 , 54, 2473-83		13
1152	Advances in colorectal cancer screening. 2009 , 11, 406-12		4
1151	Clinical trial: the efficacy and safety of routine bowel cleansing agents for elective colonoscopy in persons with spinal cord injury - a randomized prospective single-blind study. 2009 , 30, 1110-7		19
1150	Colon cancer and the elderly: from screening to treatment in management of GI disease in the elderly. 2009 , 23, 889-907		32
1149	Proteomic methodologies and their application in colorectal cancer research. 2009 , 46, 319-42		17
1148	Clinical practice. Screening for colorectal cancer. 2009 , 361, 1179-87		207
1147	The imperative of equal funding for studies that evaluate any of the evidence-based, guideline-recommended colorectal cancer screening tests. 2009 , 7, 1269-71		2
1146	Individual cancer risk as a function of current age and risk profile. 2010 , 19, 485-95		6
1145	Quality and safety of screening colonoscopies performed by primary care physicians with standby specialist support. 2010 , 48, 703-9		15
1144	Impact of lifestyle factors on colorectal polyp detection in the screening setting. 2010 , 53, 1328-33		39
1143	Colorectal cancer screening. 2010 , 26, 466-70		26

1142	Colorectal cancer: the tide is finally turning. <i>Gastroenterology Nursing</i> , 2010 , 33, 8-9	1	1
1141	Colonoscopy versus computed tomography colonography for colorectal cancer screening. 2010 , 77, 214-24		2
1140	CT colonography with limited bowel preparation for the detection of colorectal neoplasia in an FOBT positive screening population. 2010 , 35, 661-8		31
