

CITATION REPORT

List of articles citing

Clinical diagnostic criteria for gout: comparison with the gold standard of synovial fluid crystal analysis

DOI: 10.1097/rhu.ob013e3181945b79

Journal of Clinical Rheumatology, 2009, 15, 22-4.

Source: <https://exaly.com/paper-pdf/47165615/citation-report.pdf>

Version: 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
