Cirrhotics admitted to intensive care unit: the impact of acute renal failure on mortality

DOI: 10.1097/meg.0b013e328308bb9c
European Journal of Gastroenterology and Hepatology
, 2009, 21, 744-50.

Source: <https://exaly.com/paper-pdf/47190929/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
