

CITATION REPORT

List of articles citing

Anti-inflammatory and antinociceptive activities A of eugenol essential oil in experimental animal models

DOI: 10.1590/s0102-695x2009000200006

Revista Brasileira De Farmacognosia, 2009, 19, 212-217.

Source: <https://exaly.com/paper-pdf/47230512/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
