

CITATION REPORT

List of articles citing

Preprocedural score for risk of contrast-induced nephropathy in elective coronary angiography and intervent

DOI: 10.2459/jcm.ob013e328335227c

Journal of Cardiovascular Medicine, 2010, 11, 444-9.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
