

# CITATION REPORT

List of articles citing

Usefulness of frailty profile for targeting older heart failure patients in disease management programs: a cost-effectiveness, pilot study

DOI: 10.2459/jcm.ob013e328339d981

Journal of Cardiovascular Medicine, 2010, 11, 739-47.

**Source:** <https://exaly.com/paper-pdf/47568903/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
