

CITATION REPORT

List of articles citing

IgG4-related disease: a cross-sectional study of 114 cases

DOI: 10.1097/pas.ob013e3181f7266b

American Journal of Surgical Pathology, 2010, 34, 1812-9.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
