

CITATION REPORT

List of articles citing

Sildenafil citrate augments myocardial protection in heart transplantation

DOI: 10.1097/tp.0b013e3181c42b22
Transplantation, 2010, 89, 169-77.

Version: 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
