

CITATION REPORT

List of articles citing

Genetic association of the AKT1 gene with schizophrenia in a British population

DOI: 10.1097/ypg.ob013e32833a2234
Psychiatric Genetics, 2010, 20, 118-22.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
