

CITATION REPORT

List of articles citing

Permafrost thermal state in the polar Northern Hemisphere during the international polar year 20072009: a synthesis

DOI: 10.1002/ppp.689

Permafrost and Periglacial Processes, 2010, 21, 106-116.

Source: <https://exaly.com/paper-pdf/47763786/citation-report.pdf>

Version: 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
