

# CITATION REPORT

List of articles citing

**Asian Pacific Association for the Study of the Liver  
consensus recommendations on hepatocellular carcinoma**

**DOI: 10.1007/s12072-010-9165-7**

**Hepatology International, 2010, 4, 439-74.**

**Source:** <https://exaly.com/paper-pdf/47918659/citation-report.pdf>

**Version:** 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
