List of articles citing

Tooth extraction in patients taking intravenous bisphosphonates: a preventive protocol and case series

DOI: 10.1016/j.joms.2009.07.068

Journal of Oral and Maxillofacial Surgery, 2010, 68, 107-10.

Source: <https://exaly.com/paper-pdf/48001652/citation-report.pdf>

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
