

CITATION REPORT

List of articles citing

Ulcerative colitis and irritable bowel patients exhibit distinct abnormalities of the gut microbiota

DOI: 10.1186/1471-230x-10-134
BMC Gastroenterology, 2010, 10, 134.

Source: <https://exaly.com/paper-pdf/48386254/citation-report.pdf>

Version: 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
