

CITATION REPORT

List of articles citing

Ethnic differences in physiological cardiac adaptation to intense physical exercise in highly trained female athletes

DOI: 10.1161/circulationaha.109.917211
Circulation, 2010, 121, 1078-85.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
