

CITATION REPORT

List of articles citing

Gut microbiota composition is associated with body weight, weight gain and biochemical parameters in pregnant women

DOI: 10.1017/S0007114510000176

British Journal of Nutrition, 2010, 104, 83-92.

Source: <https://exaly.com/paper-pdf/49026471/citation-report.pdf>

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
