

# CITATION REPORT

List of articles citing

Phase entrainment of human delta oscillations can mediate the effects of expectation on reaction speed

DOI: 10.1523/jneurosci.0703-10.2010  
Journal of Neuroscience, 2010, 30, 13578-85.

**Source:** <https://exaly.com/paper-pdf/49031805/citation-report.pdf>

**Version:** 2024-04-29

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
