

# CITATION REPORT

List of articles citing

## Reversal of multidrug resistance by natural substances from plants

DOI: 10.2174/156802610792928103

Current Topics in Medicinal Chemistry, 2010, 10, 1757-68.

**Source:** <https://exaly.com/paper-pdf/49178783/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
