

# CITATION REPORT

List of articles citing

Multi-site diagnosis and management of 260 patients with auditory neuropathy/dys-synchrony (auditory neuropathy spectrum disorder)

DOI: 10.3109/14992020903160892

International Journal of Audiology, 2010, 49, 30-43.

**Source:** <https://exaly.com/paper-pdf/49270032/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
