

CITATION REPORT

List of articles citing

Lipid emulsions in the treatment of acute poisoning: a systematic review of human and animal studies

DOI: 10.3109/15563650903544124
Clinical Toxicology, 2010, 48, 1-27.

Version: 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
