Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
491	Role of leucine in protein metabolism during exercise and recovery. 2002 , 27, 646-63		58
490	Clinical update on nursing home medicine: 2011. <i>Journal of the American Medical Directors Association</i> , 2011 , 12, 615-626.e6	5.9	5
489	Sarcopenia with limited mobility: an international consensus. <i>Journal of the American Medical Directors Association</i> , 2011 , 12, 403-9	5.9	648
488	Advanced practice nurses and attending physicians: a collaboration to improve quality of care in the nursing home. <i>Journal of the American Medical Directors Association</i> , 2011 , 12, 161-5	5.9	23
487	Osteoporosis and fragility fractures. <i>Journal of the American Medical Directors Association</i> , 2011 , 12, 389-93	5.9	3
486	Alzheimer [®] disease: future treatments. <i>Journal of the American Medical Directors Association</i> , 2011 , 12, 1-7	5.9	13
485	End-of-life care in the nursing home. <i>Journal of the American Medical Directors Association</i> , 2011 , 12, 77-83	5.9	16
484	JAMDA Surges Forward. <i>Journal of the American Medical Directors Association</i> , 2011 , 12, 479-480.e2	5.9	1
483	Medical care in the nursing home. 2011 , 95, 595-614, xi		2
482	Toward a definition of sarcopenia. 2011 , 27, 341-53		48
481	Current and future pharmacologic treatment of sarcopenia. 2011 , 27, 423-47		65
480	Undernutrition: a major problem in nursing homes. <i>Journal of the American Medical Directors Association</i> , 2011 , 12, 243-6	5.9	28
479	Development of a new patient-reported outcome measure in sarcopenia. <i>Journal of the American Medical Directors Association</i> , 2011 , 12, 226-33	5.9	18
478	Physical activity and sarcopenia. 2011 , 27, 449-70		47
477	Testosterone replacement therapy and cardiovascular risk factors modification. 2011 , 14, 83-90		17
476	Treatment strategies for sarcopenia and frailty. 2011 , 95, 427-38, ix		72
475	International Association of Gerontology and Geriatrics: a global agenda for clinical research and quality of care in nursing homes. <i>Journal of the American Medical Directors Association</i> , 2011 , 12, 184-9	5.9	130
