

# CITATION REPORT

List of articles citing

## Colchicine poisoning: the dark side of an ancient drug

DOI: 10.3109/15563650.2010.495348  
Clinical Toxicology, 2010, 48, 407-14.

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
