

# CITATION REPORT

List of articles citing

Identification of Pacific Ocean sea surface temperature influences of Upper Colorado River Basin snowpack

DOI: 10.1029/2009wr008053

Water Resources Research, 2010, 46, .

**Source:** <https://exaly.com/paper-pdf/49380631/citation-report.pdf>

**Version:** 2024-04-26

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
