

CITATION REPORT

List of articles citing

Protective effect of tadalafil on ischemia/reperfusion injury of rat ovary

DOI: 10.1016/j.jpedsurg.2010.07.011
Journal of Pediatric Surgery, 2010, 45, 2203-9.

Version: 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
