

# CITATION REPORT

List of articles citing

## Adsorption of Gases in Multimolecular Layers

DOI: 10.1021/ja01269a023

Journal of the American Chemical Society, 1938, 60, 309-319.

**Source:** <https://exaly.com/paper-pdf/4951392/citation-report.pdf>

**Version:** 2024-04-27

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
