

# CITATION REPORT

List of articles citing

**Dentistry and internal medicine: from the focal infection theory to the periodontal medicine concept**

**DOI: 10.1016/j.ejim.2010.07.011**

**European Journal of Internal Medicine, 2010, 21, 496-502.**

**Source:** <https://exaly.com/paper-pdf/49527832/citation-report.pdf>

**Version:** 2024-04-09

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper	IF	Citations
156	The forgotten discovery of the oral infection role in the development of systemic disorders. <i>European Journal of Internal Medicine</i> , <b>2011</b> , 22, e16; author reply e17	3.9	2
155	Dentistry and internal medicine: from the focal infection theory to the periodontal medicine concept-there could be light in the end of the tunnel□ <i>European Journal of Internal Medicine</i> , <b>2011</b> , 22, e15; author reply e17	3.9	2
154	Not a current fashion, but a truth since 1884. <i>European Journal of Internal Medicine</i> , <b>2011</b> , 22, e17	3.9	
153	Periodontal condition and tooth loss in diabetic patients. <b>2011</b> , 32,
