

# CITATION REPORT

List of articles citing

Mucolytic bacteria with increased prevalence in IBD  
mucosa augment in vitro utilization of mucin by other bacteria

DOI: 10.1038/ajg.2010.281

American Journal of Gastroenterology, 2010, 105, 2420-8.

**Version:** 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
