

# CITATION REPORT

List of articles citing

Theta-burst transcranial magnetic stimulation to the prefrontal cortex impairs metacognitive visual awareness

DOI: 10.1080/17588921003632529

Cognitive Neuroscience, 2010, 1, 165-75.

**Source:** <https://exaly.com/paper-pdf/49695493/citation-report.pdf>

**Version:** 2024-04-28

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
