

CITATION REPORT

List of articles citing

Circulating microRNAs as biomarkers and potential paracrine mediators of cardiovascular disease

DOI: 10.1161/circgenetics.110.958363

Circulation: Cardiovascular Genetics, 2010, 3, 484-8.

Version: 2024-04-24

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
