

# CITATION REPORT

List of articles citing

## Cloud manufacturing: a computing and service-oriented manufacturing model

DOI: 10.1177/0954405411405575

Proceedings of the Institution of Mechanical Engineers, Part B: Journal of Engineering Manufacture, 2011, 225, 1969-1976.

**Source:** <https://exaly.com/paper-pdf/49972710/citation-report.pdf>

**Version:** 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
