List of articles citing

River Suspended Sediment Load Prediction: Application of ANN and Wavelet Conjunction Model

DOI: 10.1061/(asce)he.1943-5584.00000347

Journal of Hydrologic Engineering - ASCE, 2011, 16, 613-627.

Source: <https://exaly.com/paper-pdf/50011649/citation-report.pdf>

Version: 2024-04-10

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
