

CITATION REPORT

List of articles citing

Lactated Ringers solution reduces systemic inflammation compared with saline in patients with acute pancreatitis

DOI: 10.1016/j.cgh.2011.04.026

Clinical Gastroenterology and Hepatology, 2011, 9, 710-717.e1.

Version: 2024-04-25

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
