

# CITATION REPORT

List of articles citing

Case records of the Massachusetts General Hospital.  
Case 11-2011. A 47-year-old man with systemic lupus erythematosus and heart failure

DOI: 10.1056/nejmcpc1011319

New England Journal of Medicine, 2011, 364, 1450-60.

**Version:** 2024-04-19

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.
