## CITATION REPORT List of articles citing

DOI: 10.1136/adc.2010.199919 Archives of Disease in Childhood, 2011, 96, 1066-71.

Source: https://exaly.com/paper-pdf/50281848/citation-report.pdf

Version: 2024-04-23

This report has been generated based on the citations recorded by exaly.com for the above article. For the latest version of this publication list, visit the link given above.

The third column is the impact factor (IF) of the journal, and the fourth column is the number of citations of the article.

#	Paper IF	Citations
151	[Large ecchymotic lesions revealing homozygous protein C deficiency]. <b>2012</b> , 139, 603-4	O
150	Protein C anticoagulant and cytoprotective pathways. <b>2012</b> , 95, 333-45	88
149	[Hemorrhagic skin lesions associated with infections]. <b>2012</b> , 160, 545-555	2
148	The phenotypic and genetic assessment of protein C deficiency. <b>2012</b> , 34, 336-46	24
147	The skin and hypercoagulable states. <i>Journal of the American Academy of Dermatology</i> , <b>2013</b> , 69, 450-62 <sub>4.5</sub>	45
146	Guidelines on the laboratory aspects of assays used in haemostasis and thrombosis. 2013, 35, 1-13	109
145	[Rapidly progressing purpuric lesions in a septic patient]. <b>2013</b> , 31, 342-3	
144	Antibody SPC-54 provides acute in vivo blockage of the murine protein C system. <b>2013</b> , 50, 252-8	5
143	Purpura fulminans in an acute preterm neonate. <b>2013</b> , 98, F76-7	2
142	Adhesion of Neisseria meningitidis to dermal vessels leads to local vascular damage and purpura in a humanized mouse model. <b>2013</b> , 9, e1003139	65
141	Plastic surgical treatment of purpura fulminans: Long-term follow-up of two patients. <b>2013</b> , 47, 147-51	2
140	Purpura Fulminans Associated With a Cardiac Implantable Electronic Device Infection. 2013, 21, 258-259	1
139	Pneumococcal sepsis-induced purpura fulminans in an asplenic adult patient without disseminated intravascular coagulation. <b>2013</b> , 346, 514-6	9
138	Dosing and monitoring of enoxaparin therapy in children: experience in a tertiary care hospital. <b>2013</b> , 24, 194-8	19
137	Sudden purpuriform rash in an infant. <b>2013</b> , 309, 2159-60	
136	Paediatric presentation and outcome of congenital protein C deficiency in Japan. 2013, 19, 378-84	35
135	Protein C deficiency as the major cause of thrombophilias in childhood. <b>2013</b> , 55, 267-71	38
